Best Practice of the College for year 2020-21

Literary Activity

Content-

B.Ed. college students are would be teachers, so by knowledge they must be ahead, must know more things than their students. But how do they know many things? Extra Reading habit, is a perfect way for being knowledgeable. There is a say that if you will read, you will be alive.
(वाचाल तर वाचाल)

Aim of this activity-

1. To inculcate habit of reading in student teachers.
2. To prepare knowledgeable teachers.
3. To develop knowledge enriched, smart and confident would-be teachers.

Process-

B.Ed. Course is of two years fulltime degree course. Throughout two years of B.Ed. course college consistently encourages their students for extra reading. This becomes regular part of college and now turned this activity as a best practice of college.

On various occasions college purposely organises this event. Ask students to read books on particular topic on particular occasion. Students take theme-based books from library and read it at home. Sometimes college has conducted this activity in the reading hall of library. As a proof of book reading, college asks students to write abstract of readen book in the notebook and asks to submit written material. College compiles all these hand written articles and prepares booklet in bound form. Few bound booklets on following themes are available in the college.

1. Dr.Babasaheb Ambedkar's thoughts
2. Thoughts of Mahatma Gandhi
