

## Student led Seminar/ Webinar

### The Contents:

Our institution has a deep reverence for the esteemed task of teaching, learning and evaluation. We are constantly aware of our responsibility of making our teaching-learning and evaluation process innovative, creative and constructivist through appropriate application of relevant methods and techniques. Our student led seminar/ webinar is one of these innovative methods, which is used by teacher-educators for student-teachers. Every year we conduct minimum 3 student led seminars.

### Goals:

- To develop courage of independent speaking in front of mob among the student-teachers.
- To inculcate habit of self learning, searching of material among student teachers.
- To develop skill of organization of seminar among student teachers.
- To develop skill of presentation among student teachers.
- To promote and encourage the skills of team teaching among student-teachers.
- To encourage student-teachers to learn from peers.

### Practice:

- Teacher-educators declare theme of seminar, which may be a particular unit from the core or optional courses or any other relevant to syllabus content.
- Sometimes the units from pedagogical courses are also taken.
- The expertise of student teachers is considered while giving topic for the seminar. There are maximum 8-10 students in one group of seminar.
- The teacher educators give topic well in advance one month before and ask student teachers to search material and prepare yourself for presentation with necessary technique.
- The student-teachers are given guidance of presentation and are encouraged to practice for it.
  - Also given guidance of making slides for presentation.
  - Practice of presentation is taken, once or twice before the day of actual presentation.
  - Instructions are given and changes are suggested by teacher educator and peers too.
  - Every year we arrange 2-3 seminars.
  - Work is distributed among students according to their strength and capability.

Principal of the college, all faculty members B.Ed, & M.Ed. both, all students and ' invitee attend he seminar.
